

BOMBARDIER

GLOBAL EXPRESS XRS: N265HT

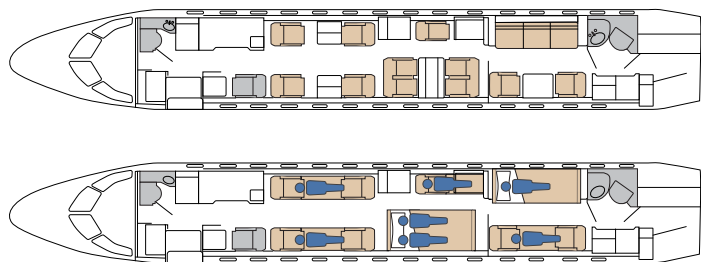

Power & Performance - Elegance & Luxury

If the world is your oyster, this aircraft is your shellfish fork. Introducing the record-setting, globe-trekking powerhouse of an aircraft that brings remote destinations within reach — *quickly*. the Global Express XRS.

Beyond impressive flight performance and safety, the Global Express XRS has a low cabin altitude, meaning that your comfort won't be compromised for this performance. New technologies for noise and vibration buffering make for one of the quietest cabins in class.

Experience the ultimate large-cabin, ultra-long-range aircraft in ACI Jet's charter fleet.

Year Manufactured	2007
Year of Interior	2021

The cabin is berthable and includes bedding for both forward and aft seating areas.

Interior Appointments, N265HT

Global Express XRS, N265HT, boasts a bright and spacious interior, leading to the feeling of a far more expansive cabin when compared to similar options. The large, plush leather seating and partitioned cabin make for the perfect companion on long journeys.

- ① Secure, high-speed Starlink Wi-Fi technology keeps you in touch with the world while you're flying above it.
- ② Audio/Video On-Demand (AVOD) delivered through 21" displays.
- ③ Fully-berthable divan in the aft stateroom, creating a quiet and private bedroom.
- ④ Club seating, each converting into a jet bed for prolonged flights.
- ⑤ Fully-equipped galley in the forward cabin for fresh, five-star dining.
- ⑥ ACI Jet's impeccable attention to detail and award-winning inflight service.
