

BOMBARDIER

GLOBAL EXPRESS: N319GG

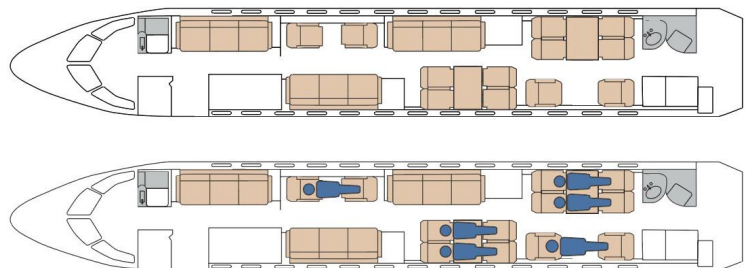

Power & Performance - Elegance & Luxury

The Bombardier Global Express offers business travelers international-range to deliver non-stop service to much of Europe, South America, and Northeast Asia from California, while accommodating a modern, spacious, and quiet interior.

This Global has three soft cloth divan's allowing for an open and inclusive experience. An appropriate accommodation for the aircraft with the largest seating and sleeping capacity in our fleet. Seating up to 19 passengers and capable of being transformed to accommodate sleeping arrangements for up to 8 guests, this aircraft ensures no one is left behind.

Comfort, Performance, No Compromises.
