CITATION XLS: N876UC

Power & Performance - Elegance & Luxury

The Citation XLS offers the comfort and capacity of a mid-size jet while still retaining the short field performance and operating efficiencies of many light jets. The 5' 8" stand up cabin comfortably accommodates eight passengers in company with a fully enclosed washroom partitioned by sliding wood doors.

This aircraft is equipped with a two-place, leather side-facing couch with fold down center armrest and six leather, pedestal (swivel) passenger seats. These seats are furnished with pillow top head rests and stowable armrests and each has access to manual window shades with soft touch window reveals. Experience the simple elegance of the XLS.
